## **DETAILED ACTION**

### ***Terminal Disclaimer***

1. The Terminal Disclaimer was considered and accepted on 10/7/04.

### ***Allowable Subject Matter***

2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose, nor sufficiently suggest an interactive program guide system which provides an opportunity to select a program for purchase, determines whether or not the selected program is part of a package of pay programs containing a finite plurality of pay programs, wherein the pay programs in the package of pay programs are not the same programs that are available for purchase by subscribing to a channel for its minimum subscription duration, and displays information on the package of which the selected program is a part of when the selected program is part of a package so that the user may decide whether to purchase the package..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Claims 1-64 are allowed.
